Programme

“ACCESSIBILITY INSPECTORS” is a 3.1.b. training course to support youth organisations to improve their work with young people having disabilities in terms of designing accessible youth activities for mixed ability groups.

Objectives:

- to learn more about disability and accessibility concept through UNCRPD
- to develop mutual understanding and build empathy between young people with and without disabilities
- to promote equality and social inclusion in upcoming Erasmus+ programme
- to develop together strategies and methodology which fulfill the explored learning and participating needs of young people with disabilities
- to learn how to design and implement inclusive and accessible youth activities
- to gain new skills to organize youth events with mixed ability groups

Methodology:

Non-formal training and interactive working methodologies will be used

Profile of participants:

- Youth workers, leaders, trainers, multipliers having both need and experience in working with young people having disabilities
- Also participation of youth workers, leaders, trainers having disabilities is highly encouraged
- High motivation to implement accessible and inclusive youth projects
- Over 20 years old
- Gender balance among national groups will strictly be required
- English will be the working language. Participants must have sufficient understanding of English.

Practical conditions:

- Food, accommodation and training costs will be covered by us
 - VISA costs will be covered 100%.
 - 70% of the travel cost will be reimbursed
 - The flight is based on the cheapest fare available in the issuing country.
- However TOTAL travel cost cannot exceed the maximum reimbursable travel cost amount as listed below
- Reimbursement of travel expenses will be made via participants' associations bank account only after receiving all the return travel documents.
 - A participation fee of 35 EUR will be deducted in reimbursement
 - All participants are responsible for their travel and health insurance
 - Please do not buy your flight tickets before we confirm your participation!!!

Country	Number of pax	Max travel cost (eur)	70 reimbursable
Ukraine	2	1100	770
Romania	3	1200	840
Italy	3	1800	1260
Spain	3	1800	1260
Latvia	3	1500	1050
Poland	2	1100	770
Croatia	2	900	630
Palestine	2	1200	840

WHAT TO DO?

Since there is always a considerable risk that partner organisations may have problems to provide participants fitting the profile, this time we will publish the call for the course on SALTO.

However if you already have candidates fitting the above participant profile then please make them fill in the attached application form and send it back to elifce10@gmail.com before 12 Feb 2014, afterwards it will be public.

We would be happy to receive applications from your side and your suggestions for participants will be considered - however, please note that the selection of all participants will be done fully by the organizers, means if your candidates don't meet the above listed requirements then another applicants from your country, meeting the requirements may be chosen instead.

Please read all the information carefully and feel free to contact us anytime

All the best;)

Elif
