Second Announcement

There are fewer days left for the “4th WFYDS Children Camp”. How are you with the process of selecting children? Did you buy the flight tickets? We are pleased to announce that we have been working hard, surely noticed on social networks to ensure that the camp will be successful and can catch Camp participants and leaders. We want to tell you that we are committed to the motto “Your inner child has the power to create”; the childhood inspires us in the companionship, the coexistence, the joy, the enthusiasm, the creativity intact through fun activities, entertainment, and magic games.

We want to announce with great joy, that we are now accepting four children of each country that means that there will be no more substitute’s children. All four children can come to Camp with their respective leader. We want to remind you again that we promote gender equality, so we insist that the participating children can be gender equity, to have a better distribution in the camp.

We are pleased to confirm that the camp will be held in Buenos Aires, Argentina from 8th to 14th April for children aged 9 to 12 years with their respective leaders, from 21 to 30 years. In the face of many concerns, we would like to clarify that as it will be developed next year, children born between the years 2006 and 2009 may be presented regardless of the month of birth, with their respective leaders from 21 to 30 years old that were born between the year 1988 and 1997.

We remind you again that the registration ends on November 1, so we request that you send us in the meantime to confirm your reservation, and to better organize the flight tickets form. We will only accept communications directly from Deaf Associations with their youth sections and / or Youth Deaf Associations. The deadline for registration forms is Friday, November 1, 2017.

Now we are looking for sponsors to cover the expenses of the camp, we have many surprises for you. We welcome inquiries and concerns regarding your needs, so we are pleased to inform that we increase our social networks with which you can follow us daily, and consult us in the easiest way, which can be with Skype with prior agreement or through Gmail.
