## Pateicības

Pie šīs grāmatas veidošanas strādāja daudz cilvēku.  
Ikviens no viņiem ir pelnījis pateicības vārdus.

Vispirms gribu teikt "paldies":

- **Ilonai Liniņai** par pacietību, padomiem un pozitīvismu;
- **Jolantai Znotiņai** par atsaucību un radošo gaisotni fotografēšanās laikā;
- **Vitālijam Vinogradovam** par vairāk nekā 300 vārdu zīmju valodā fotografēšanu un pacietību to apstrādē un bultiņu zīmēšanā;
- **Vinetai Bitei** par rūpīgiem tekstu labojumiem un vārdu saskaņošanu ar fotogrāfijām;
- **Ronaldam Mežalam** par palīdzību grāmatas vāka dizaina veidošanā.

Paldies saku arī:

- Latvijas Neredzīgo bibliotēkas direktorei **Andrai Jākobsonei** par morālo atbalstu projekta gaitā;
- Latvijas Nedzirdīgo savienības viceprezidentam **Ivaram Kalniņam** par iespēju ieskatīties nedzirdīgo pasaulē un palīdzību grāmatas tapšanā.

Grāmatas veidošana bija sarežģīta, bet interesanta.

Mēs visi esam iemācījušies kaut ko jaunu.

Grāmatas veidošanas laikā arī es iemācījos pāris vārdus zīmju valodā.

Novēlu patīkamu lasīšanu un jaunu vārdu apgūšanu!
